ATPI Alerts Travel Opportunities per Country during Coronavirus (COVID-19)

Dear Valued Client,

Countries all over the world are implementing travel bans and restrictions in an effort to limit the spread of the COVID pandemic outbreak. Below you may find the most recent updates in short. Note that unexpected travel cancellations are taking place and airlines status may change at any given time without prior notice. The enlisted information are based on the officially announced governmental travel restrictions and quarantine measures.

Below is a summary of the latest updates, please be aware it is not a complete overview of all current travel bans and restrictions.

General Important Notes:

- Own face coverings / masks will be required across all airports and flights, to comply with COVID-19 measures.
- It is strongly advised to arrive as early as possible to the airport for your departure.
- Airlines have their own policies which are being updated regularly and can be checked directly on their respective websites.
- For the latest information about local country restrictions we advise to check the website of Ministry of Foreign Affairs
