ATPI Alerts Travel Opportunities per Country during Coronavirus (COVID-19)

Dear Valued Client,

The world is still changing by the hour during this COVID pandemic outbreak. Many travel bans are being eased or lifted and some countries still extend their current travel bans. Airlines slowly start up their network again, although with lower capacity. Our daily update informs you in short about the latest information.

Please note that unexpected travel cancellations are taking place and airlines status may change at any given time without prior notice. The enlisted information is based on the officially announced governmental travel restrictions and quarantine measures, updated via our ATPI Alerts.

Below is a summary of the latest updates, please be aware it is not a complete overview of all current travel bans and restrictions.

Areas & airports opening or softening restrictions

EUROPEAN COUNTRIES:

- **No updates**

AFRICA:

- **Namibia:** Update: Government plans to open Windhoek's Hosea Kutako International Airport to leisure travelers, tourists from 1 September
