ATPI Alerts Travel Opportunities per Country during Coronavirus (COVID-19)

Dear Valued Client,

The world is still changing by the hour during this COVID pandemic outbreak. Many travel bans are being eased or lifted and some countries still extend their current travel bans. Airlines slowly start up their network again, although with lower capacity. Our daily update informs you in short about the latest information.

Please note that unexpected travel cancellations are taking place and airlines status may change at any given time without prior notice. The enlisted information is based on the officially announced governmental travel restrictions and quarantine measures, updated via our ATPI Alerts.

Below is a summary of the latest updates, please be aware it is not a complete overview of all current travel bans and restrictions.

IMPORTANT MESSAGES:

India:

For outbound flights from India to Paris, seafarers of foreign nationalities are allowed to travel ex India; Indian seamen are subject to clearance from Ministry of Shipping.

For inbound flights from Paris to India, passengers of all nationalities are eligible to fly to India with journey commencement from any global point of origin.

It is mandatory to register with the Indian Consulate/ Embassy in the country you are currently commencing your journey from. Kindly follow the process advised by the Ministry of External Affairs.

It is also mandatory to download the "Aarogya Setu" application on mobile devices. Passengers to undergo mandatory quarantine for 14 days upon arrival into India.
